- James updated the supervisor and councilmen on information regarding the DEC Inspection on the fuel tanks. Gages and stickers will be in place soon to be in compliance. James will look into prices for replacement tanks for the future. This would aid with budgeting monies needed for the replacement tanks when the time comes.

New Business:

Discussion was had in regards to a 3-bay building for the trucks. It would need to be done in phases and therefore it would need to be budgeted for over time.

Residents Lewis and Andy Jackson shared some ideas and possibilities in regards to a new building.

Lewis Jackson questioned the supervisor and councilmen if they had thought anymore about replacing the older trucks.

Andy Jackson asked if the seam on the roof had been fixed. There was discussion to what had already been done, and what still needs to be addressed. Councilman Baker and Lewis Jackson had suggestions to what may help with this concern.

Residents Sue and Charlie Walker expressed their gratitude to Bill Holmes for his promptness and availability taking care of some dog issues.

Mr. and Mrs. Walker also thanked Mark See for validating their concerns and seeking resolution with the issues they had.

Resident Kathleen and Luke St. Johns joined the meeting to be better informed with the town business.

Resident Anthony Slack voiced concerns about issues he is having with some neighbors. He was looking for some direction.

Motion was made to approve the bills as audited.
